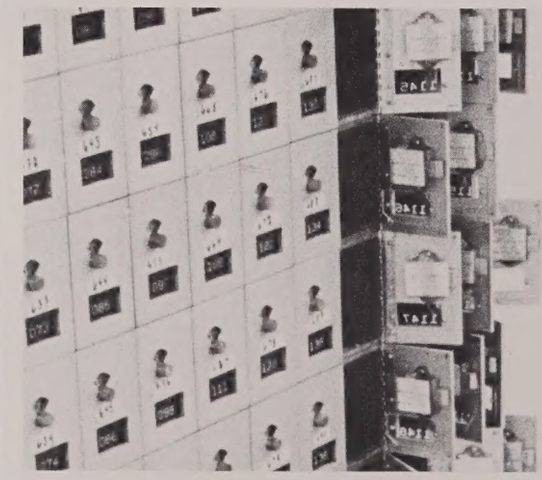
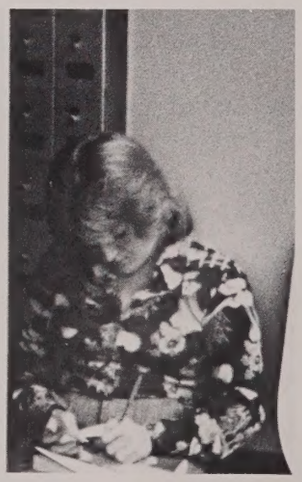
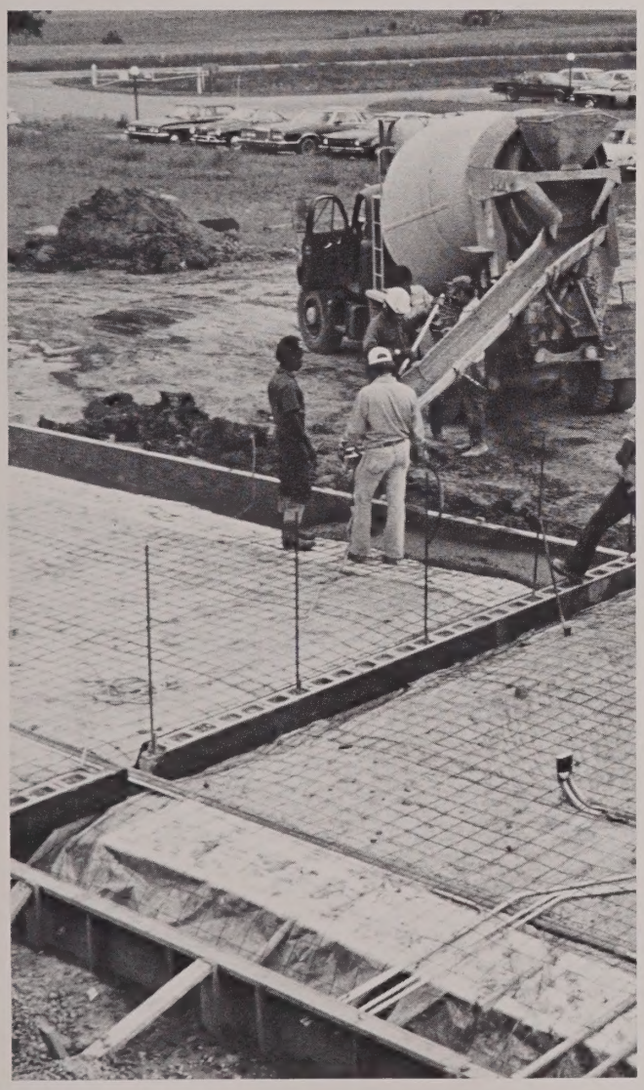
Throughout our lives we are asked to make decisions. Some are not hard to make and, in fact, can be fun. For instance, do I want to buy a new car, go to a movie, eat an ice cream cone, or ask that cute brunette in my English class for a date?

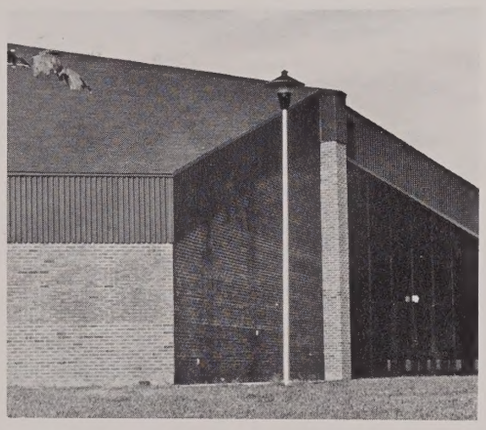
Others, unfortunately are not so easy and require more thought. What do I want to do with my life? How should I live? What kind of goals do I have for myself? We all have to answer these and other questions at some time in our lives.





CHEMICAL
ABSTRACTS



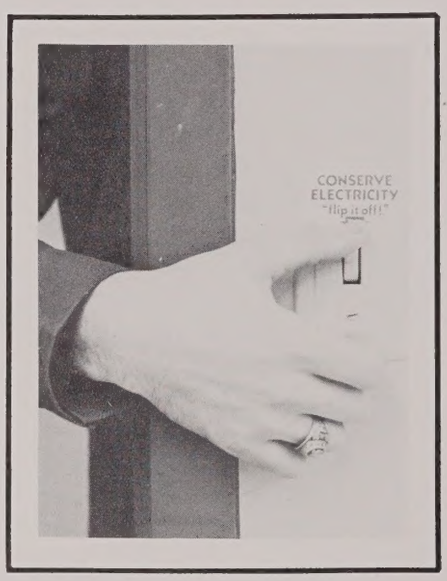


UNION UNIVER

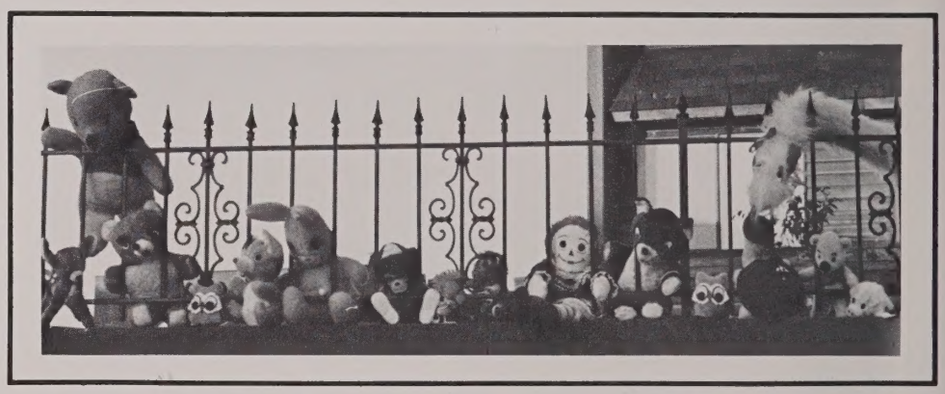
Most of us here at Union have found the answer to one question which has made the difference in the answers we give to all of the others. The question referred to is *"Is Jesus Christ Your Lord and Savior?"*

This question has caused a lot of people to stop and think, because it entails so much. The requirements of being a Christian are numerous, although they can be covered in two statements.

First, love God with all your heart, mind, and soul; and secondly, love your neighbor as yourself. These two commands, spoken by Christ, cover every problem we might face in our lives.



CONSERVE
ELECTRICITY
"flip it off!"



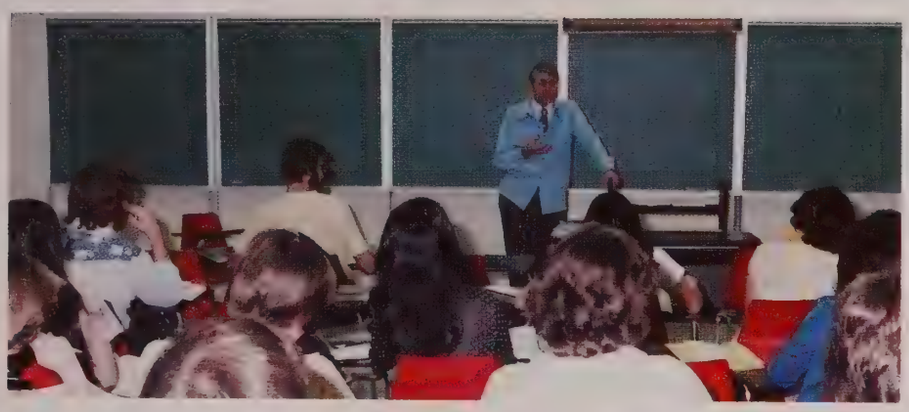
If we love God with all our heart, all our mind, and all our soul, we will keep our sights set on Him constantly. We will be open to His guidance and direction in what we are to say, to think, to feel, and to do. It is like rowing a boat, if you want to go straight, you must keep your eyes set on a landmark to steer by.

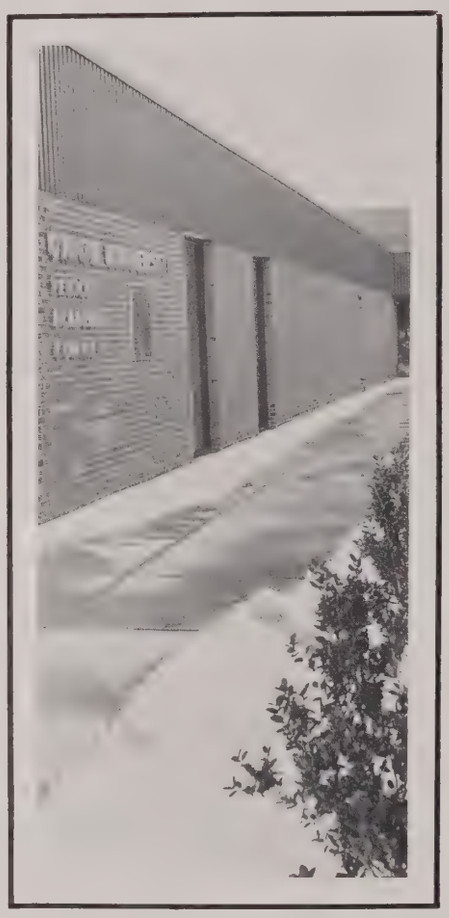
If we love our neighbor as ourselves, we will not have as many personality conflict problems as we now face. For if we genuinely love someone else, as we ourselves would like to be loved, we will be more considerate of how we act and what we say to one another.

God wants to help us, in any way He can, to reach our full potential. He can do this only by making it possible for us to be in His presence. He made it possible by sending Christ to bridge the gap between God and man. He is not only our Savior, but also our Father. As our Father, He wants the best for us. The Bible says that if God loves His natural creation so much that not a sparrow falls without His knowledge, then how much more must He love man, His greatest creation.

God does love us and care for us. He loved us so much that He could not bear for us to live in sin with no way out or to see us forever barred from communion with Him. So He sent His son to die for us on the cross, that we might have life everlasting.

Thanks to God's love, we have the choice of remaining as we are or accepting Christ into our lives and learning a new way to live. This involves a complete change in the direction our lives have been taking. Through Christ, we have made a 180° turn, and have left our ways of sin to focus our lives, thoughts, and ambitions on Him.

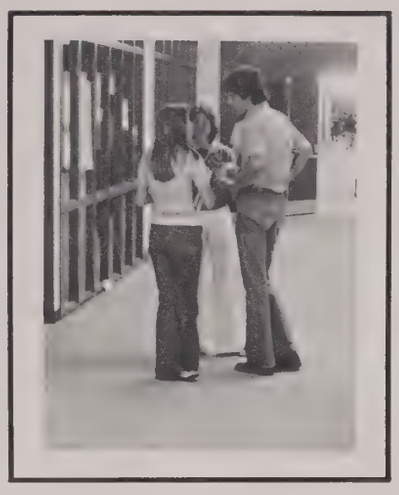




Most of us have learned the hard way that becoming a Christian does not make all of our problems disappear. In fact, it often seems to add to them. A higher standard is expected of the person who claims to be a Christian than one who does not. People are not perfect and they make mistakes. So do Christians, for they too are only people, and that fact is largely ignored.

The main difference between the Christian and the non-Christian is that Christ is there to help us Christians through every problem that we face. He will not work everything out for us, to be sure, but He will give us direction.

Business



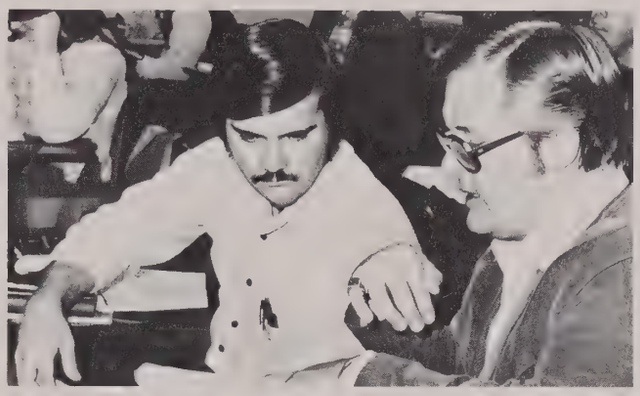
God's word tells us that eye has not seen nor ear heard of the things that the Lord has in store for those who love Him. The Bible is full of promises that God has made to those willing to submit their lives to Him.

This is why we are here at Union, because God has called us to a specific service with our lives. God knows what is best for us and what will make us happy. That is why the main thing we must do is to submit ourselves daily to the Lord.

We should ask Him what He would have us do with our lives on a day-by-day basis. Then we must have the determination to do what He asks us to do, and to go through doors that He opens for us.

So whether it be as preacher, data processor, singer, nurse, journalist, artist, or chemist; no matter what our field of study, God has called us.

The main thing is not "what" we do with our lives as much as it is the "why" or purpose of our lives. As long as we are where God wants us to be, doing what He wants us to do, we will find that we achieve the "peace that passes understanding." We will know the inner joy of walking with our Savior and Creator day by day.



We will find that as we live our lives for Him and let Him live His life through us, that this world becomes a better place, others lives are enhanced, and our own lives are enriched.

For it is in this way that we may be the happiest that we can be in this world. It is through God . . . in Christ . . . in us . . . our HOPE of Glory.

Record Class Graduates in 1978

A record class of two hundred and forty-nine students graduated on June 3, 1978. Baccalaureate services were held in the chapel on June 3. The speaker for the service was Rev. Jim Henry of Orlando, Florida. U. S. Representative Robin Beard was the speaker at graduation services.

Graduation presented a beautiful ending to a special part of life for those who were involved. For Suzanne Templeton, the day had extra meaning, as she was the first person to begin and complete her education on the new campus.

Dr. Craig congratulates Suzanne Templeton.

Registration . . . . . Just the Beginning

It's been said that anything worth having does not come easy. This has never been proven more true than by registration. Hot afternoons, long lines, and closed classes all have a tendency to make a person want to turn around and go home again. These steps are necessary, however, and without a doubt, worth it!

Moving in Calls for Strong Backs

On August 27, the day of moving in, everything from Volkswagons to U-Hauls could be seen piled high with such articles as garbage cans and teddy bears. Pieces of home just seem to make not being there a little easier.

President's Reception is Social Highlight

The first formal event of the year is the President's Reception, held in the cafeteria. This is a time when students and administration can enjoy eating good food, talking with old friends, and meeting new people.

The reception is held in two shifts so as to allow more time to get better acquainted with those a person does not know and to catch up with the latest happenings of the summer with those who have been out of touch.

BSU Fall Retreat Highlights Their Year

One of the highlights of the year for the Baptist Student Union is their fall retreat. This year the retreat was held on the weekend of September 13-15 at Tishamingo State Park, Mississippi. It was a time to get to know God, oneself and other BSUers in a greater way.

The theme was the "Transparent Life." The theme carried the idea of letting Christ be seen through the individual not the whole organization. The guest speakers were Dr. David Irby, Joe Layman, and Paul Barkley.

Many new friends were gained.

Variety Spices Mission Fair

The BSU has set a goal of $4500 for summer missions this year. In addition they have also set a $5500 prayer goal for summer missions.

In order for this goal to be reached, the *Baptist Student Union* has sponsored many money-making projects. One such project was the BSU fair which raised $475.53. There was also a walk-a-thon in the spring.

"Faith" Is Theme of *Lilies of the Field*

In the fall of 1978, the Union University Theatre presented the play, *Lilies of the Field.* The production portrayed Homer Smith, an ex-G.I. traveling the countryside looking for a day's work. He accepts a job to fix a leaky roof for a group of nuns and stays for a while. He leaves and later returns to help the nuns and the local farmers build a chapel.

The cast included: Dwight Huffman, Jeff Jones, Gail Langley, Hope Elting, Teresa Coleman, Jeri Replogle, Robert Hamilton, Tanna Sue Morris, Chuck Roberts and Johnny Eakin.

Union's Dinner Theatre received excellent reviews.

Homecoming Is A Hit in '79

Union celebrated Homecoming week February 12-17 with a well-planned calendar of events. The theme for Union's Homecoming 1979 was "This One's For You." As a result of this choice in theme, the student body actually did seem to take more interest and become more involved in Homecoming activities than in recent years. Donna Bridgman was highly competent as chairman of the 1979 Homecoming committee.

Bulldog spirit soared as the result of an enthusiastic pep rally held Wednesday. This was also the first pep rally of the year, and the student body displayed avid participation. Besides the Homecoming game Saturday night, the men's basketball team played two home games during the week with Lambuth and LeMoyne-Owen. They also played at Lane. The women's basketball team played at Blue Mountain Tuesday night.

The festivities for Homecoming weekend got off with a bang with the third Annual Union University Gong Show. As always this show proved to have excellent and often humerous entertainment for the audience. Bill Kisner was the Master of Ceremonies and last years' winner Jimmy Seay showed an amazing ability to play the fiddle. This year's winner was Richard Wilson, who won a check for $19.79.

After the Gong Show there was a Midnight Breakfast in the cafeteria and two full length movies were shown in the chapel beginning at 12:30 a.m. and running until 4:30 a.m.

Saturday morning Zeta Tau Alpha and Chi Omega fraternities held open house in their lodges. This was the first open house held in the new Zeta lodge.

At the annual Awards Luncheon, Mrs. Charles Wingo was honored with the Distinguished Faculty Staff Award.

Saturday, the annual parade was held. This year was different in the fact that awards were presented to individuals instead of organizations.

An important aspect of Homecoming for the students is the Homecoming Hall Displays. Many long, hard hours were put into these displays, and the competition as well as the displays themselves added to the spirit of Homecoming.

First place went to Lambda Chi Alpha, with Chi Omega second, Zeta Tau Alpha third, and this year Sigma Alpha Epsilon was awarded Honorable Mention.

A capacity crowd was on hand to see the women's and men's basketball games, the highlighting event of Homecoming.

The women gained an exciting win over UT-Chattanooga as they beat the Lady Moccasins 80-76. Sandra Lewis Fitzgerald won the Gracie Williams Award. This win was very important for the Lady Bulldogs as it determined their placement in the state tournaments.

The men stretched their record to 18-7 when they defeated David Lipscomb College 86-79. Senior Mike Williams was honored with the Charles Schuler Award given by team vote for leadership and sportsmanship. Sportsmanship awards were given to Mike Puckett and Colleen Johnson by the Fellowship of Christian Athletes.

Edd Smith and Mike Williams crowned the queen and presented her with her flowers. The men of Sigma Alpha Epsilon also presented her with a gift.

Ending the evening was the Men's Ball game against David Lipscomb. The Bulldogs defeated the Bison thus drawing Homecoming 1979 to a close.

All the Greeks Work Together

Greeks make up a large part of the life here at Union. There are many different reasons for the establishing of Greeks on Union's campus. As a member or pledge, you gain many long-lasting friendships from members and others.

You learn how to work with other people while at the same time you are forging a chain of brotherhood or sisterhood that will stand the test of time. You learn to be true to a Christian Creed and to do things for others as well as yourself.

Union has five fraternities here on campus. They are: Alpha Tau Omega, Lambda Chi Alpha, and Sigma Alpha Epsilon—Men; Chi Omega and Zeta Tau Alpha—Women.

Throughout the year these groups do many types of service projects for both the school and the community around Jackson.

Zeta Tau Alpha sponsors annual All-Greek Reception.

Zeta Tau Alpha was founded on October 15, 1898, at Longwood College in Farmville, Virginia. The desire to perpetuate friendship beyond college days was a motivating factor in the founding. The Beta Omega chapter of Union was founded December 12, 1935.

The colors of the fraternity are steel grey and turquoise blue; the flower is the white violet, and the open motto is "Seek the Noblest."

This year Zeta Tau Alpha experienced a successful rush, observed Founder's Day, and participated in All-Sing. Fun times were date parties, service projects, the Mother-Father-Daughter Luncheon and Spring Banquet.

Lest We Forget

Linda Bartholomew, Organizations.

Producing *Lest We Forget* is a year-round process. It begins in the spring when a staff is appointed and work starts on the new book and ends the following spring when the books arrive and are distributed.

The sixty-third edition was no exception to the usual frantic rushes to meet deadlines and long hours of scheduling pictures, rescheduling pictures, drawing layouts, and writing copy. The sizable growth in Union's enrollment in 1978-79 affected the work considerably due to the increased numbers in classes and organizations.

"Take Me Out to the Ballgame"

The 1977-78 Union Baseball Team failed to live up to pre-season expectations, according to Coach David Blackstock's roster, the Bulldogs sported one of the best hitting teams seen around Union in some time. However, the field positions and the mound were not covered as well; therefore, the team was to finish the season with a 13-18 record.

In the tournament action Union University wound up the season with a 5-8 VSAC record which left them in a fifth place ranking in the Western Division. Key victories were a 9-2 win over rival Lambuth College and an 11-10 come-from-behind win over Memphis Christian Brothers College.

Women's Tennis Team Is Formed

In the spring of 1978 a *Women's Tennis Team* was formed at Union University. Until then, in order for a woman to play, she had to compete for a spot on the men's team.

The new team was coached by Mr. Bill Truex and Mr. Ray Vunk. The inexperienced team put forth a remarkable effort and showed a great desire to achieve.

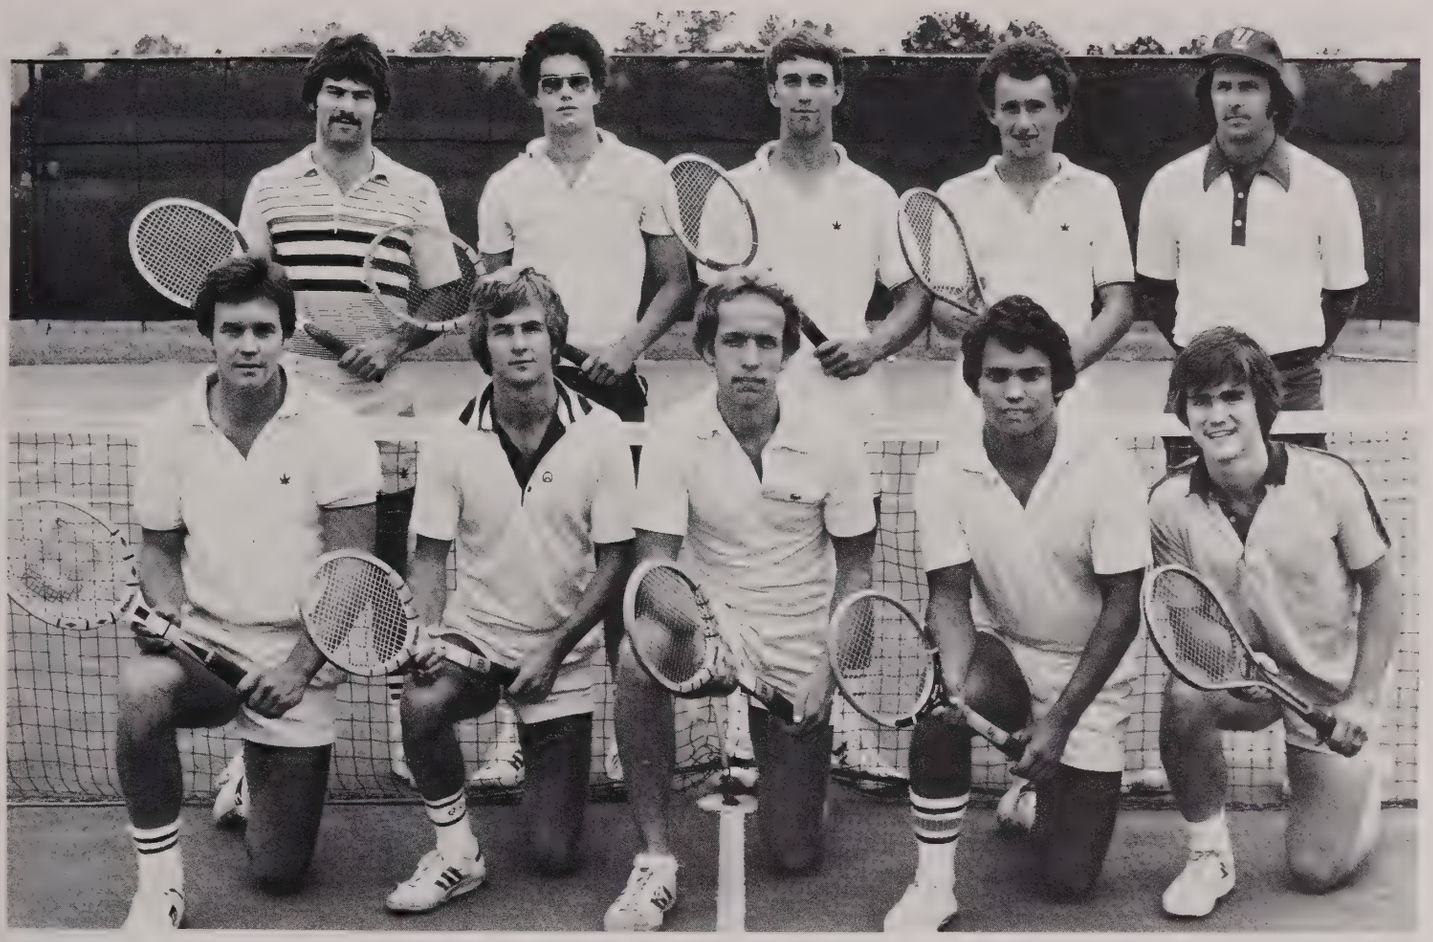
Men's Tennis Gains New Talent



Men's Tennis Team: Front row: Dennis Schilling, Howard Young, John Mark Wilson, Billy Joe Dunn, Roger Smith. Second Row: Ronnie Morgan, Jeff Jones, Doug Stephenson, Chris Maxwell, Coach Bobby Hart.

This year Bobby Hart became coach of the Union University *Men's Tennis Team.* With more new faces than old, the team has had an encouraging start. Joining returning lettermen Ronnie Morgan, Jeff Jones, Howard Young and J. Mark Wilson was Billy Joe Dunn, a sophomore transfer from Brewer State Jr. College in Fayette, Ala.

Other transfers were Dennis Schilling, a junior from U. T. Martin, and Doug Stephenson, a junior from Samford University. Rounding out the team were newcomers Roger Smith and Chris Maxwell, both freshmen.

Golf

Four new golfers and four players from last season's squad comprised this year's golf team. Coach Don Morris was confident that newcomers Ragland Jones, Eddie Kitchens, David Haddad, and Gary Morgan would help the team improve last year's regular season record of 3-5.

During the season, Bulldog golfers had ten matches, including those against VSAC competition. In addition to the VSAC tournament, the team participated in the Tennessee Intercollegiate Athletic Conference tournament and the National Association of Intercolligiate Athletics district tournament.

Cheerleaders are an important asset to team morale. The 1978-79 cheerleaders proved themselves very competent in generating school spirit.

In the fall, they observed the annual Red and White game by wearing 1950's style uniforms all day. They helped to rouse the spirit of the student body and the teams during a bonfire and then at the basketball games.

Men's Basketball

The men's basketball season was tipped of with the playing of the Red and White game in which the players showed much promise of what could be expected in the future games.

Coach Jim Swope, at his fourth year at Union, has hopes of bettering last year's record of 20-11, the best record for Union in over a decade. However, even though the team has four returning veteran starters, Coach Swope felt the schedule would be too tough for the men.

Included in the schedule were three tournaments plus a post-season Volunteer State Athletic Conference. The Bulldogs added some new competition to their schedule this year—Lincoln Memorial University and cross-town rival Lane College.

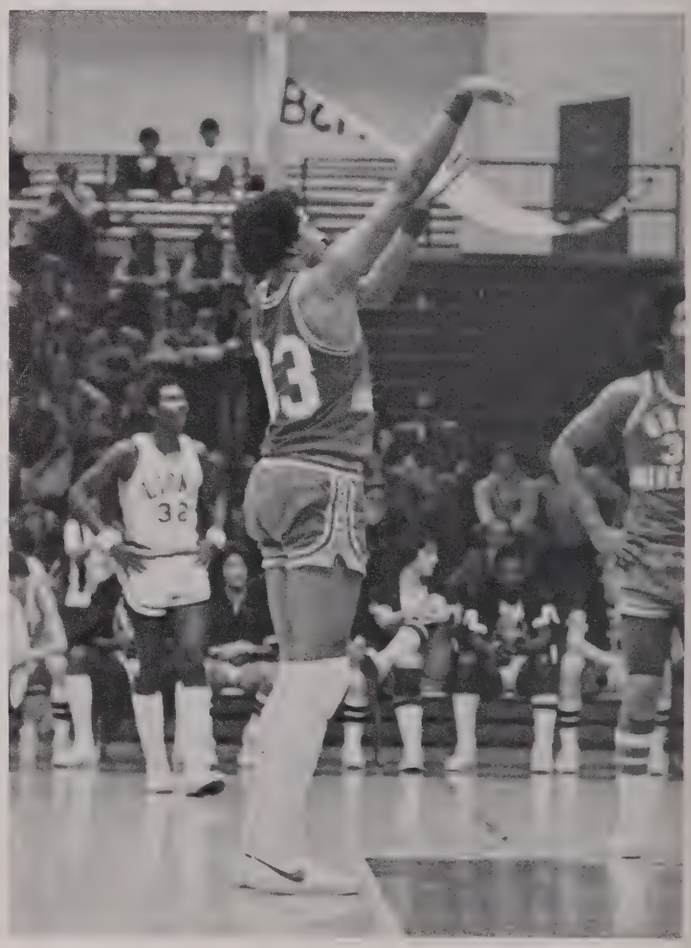
Union Students Have Sneak Preview of Men's Basketball Action. Reds vs. White

The Union University Bulldogs opened the season with high hopes at the Tennessee Wesleyan Tournament. Luck was against them that night as they dropped a 94-85 decision in a hard-fought battle. The next night Union rebounded with a 115-104 upset of host Tennessee Wesleyan in overtime. Richard Rice was selected to the All-Tournament team.

Returning home, the Bulldogs again experienced bad luck in the opening round of the Bicentennial Exchange Tournament. The Bulldogs led most of the way, but ended up giving Freed-Hardeman an 84-79 win. In the consolation game, Union blasted cross-town rival Lane College by the score of 93-69. Kenny Lloyd was Union's representative on the All-Tournament squad.

Dissatisfied with a meager 2-2 worksheet, the Bulldogs then proceeded to reel off five straight wins. They found revenge against Freed-Hardeman by blasting them 85-71 on the homecourt. Ronnie Lofton hit 24 points to spark the win. The Bulldogs then faced a tough game against Lincoln Memorial University who was ranked sixteenth in the nation. The team defeated LM 83-73 to compile a 4-2 mark at the Christmas break.



Union University started off the new year at the Dixie Tournament at Southwestern at Memphis. The Bulldogs broke their tournament jinx by besting Millsaps 81-86 in the opening round, then took the championship over ninth ranked Southwestern by the score of 83-74. Steve Moore made the All-Tournament team for Union, and Kenny Lloyd was selected as Most Valuable Player.

The Bulldogs returned to Memphis a week later where they trounced Christian Brothers College 82-65. Union then traveled to Nashville only to lose a tough 71-68 decision to Trevecca Nazarene. Returning home, the Bulldogs made it 8-3 with a 76-71 victory over Belmont College.

Then it was on the road again as Union traveled to Memphis to challenge highly regarded LeMoyne-Owen. In one of their best defensive games of the year, the Bulldogs licked the Magicians 76-67. The mighty Bulldog squad then dropped a 92-96 squeaker to Lambuth College which set the stage for one of the most memorable games of the year. Union University had not won a game on Freed-Hardeman's home court in 26 years. Determined to erase that stigma, the Bulldogs out-played, out-rebounded, out-hustled, and out-scored the Lions, 97-86.

Richard Rice and Steve Moore double team the ball.

Ronnie Lofton connects with a foul line jump shot.

In their next encounter, the Bulldogs took an 84-83 win over Bethel in one of the most thrilling games of the year. Union went on to beat Southwestern and Lane, but then dropped a game to David Lipscomb. Union won over Bethel, Christian Brothers, and Belmont to set up a match with league-leading Lambuth. The Eagles proved unstoppable as they bested Union 97-89. After losing a game to Lane, the Bulldogs ended the season by besting LeMoyne-Owen, David Lipscomb, and Trevecca Nazarene.

In the VSAC tournament Union lost in the second round to LeMoyne-Owen which brought the season to a sudden halt. Union finished the season with a 20-8 mark. It was the first time that Union had ever had back-to-back 20-game win seasons.

Lady Bulldogs on the Go

Lady Bulldog Coach Peggy Birmingham has come close to, if not already, establishing a dynasty at Union University. Faced with the problem of only half of the team's players returning from last season, she undauntedly led her Lady Bulldogs to an early 7-1 record en route to another successful season.

The team was led in scoring this year by senior guard Sandra Lewis Fitzgerald and sophomore sensation Colleen Johnson. Janice Terry and Beverly Pryor added rebounding power as well as extra scoring punches. Kim Lampkins, a freshman, proved to be exceptional at the guard position.

Steady bench strength was a key factor in the team's success this season. Marva Rawlings proved to be a dominant player this year and was a spot starter for the Lady Bulldogs. Sally Paire provided extra board strength along with newcomers Lee Ann Smith and Liz Weglicki. Marilyn Johnson improved greatly at the forward spot, while newcomers Melinda Newman and Ann Pollard proved themselves at the guard position.

The Lady Bulldogs opened the season at home with a 106-40 trouncing of Mississippi Industrial. After dropping a 102-86 to a tough Ole Miss team, the Lady Bulldogs won six in a row to post a 7-1 record at the Christmas break.

That streak included a 105-68 rout of Mississippi State Champs, Blue Mountain College. Fitzgerald led the team with 26 points. The Lady Bulldogs then scored a big win against Middle Tennessee State, ending the Blue Raider jinx. The Lady Bulldogs bested MTSU 91-80.

The Lady Bulldogs opened winter term with a loss to UT Chattanooga by two points, but gained a win over Covenant College, where sophomore Colleen Johnson set a new school scoring record with 39 points. Two wins followed before the Lady Bulldogs lost two more to MTSU and Belmont. Following wins over LeMoyne-Owen and Lambuth, the Lady Bulldogs went into the second LeMoyne-Owen game with a 12-4 record.

The Lady Bulldogs next took on LeMoyne-Owen and bested them 84-62. Then they went on to win their last six games of the season. The Lady Bulldogs closed their season in style when they beat UT-Chattanooga at Homecoming.

In the VSAC Tournament, Union gained an easy 80-38 first-round victory over Christian Brothers College. In the second round Union lost to revenge-minded Lambuth by the score of 78-72. In the AIAW State Tournament, the Lady Bulldogs beat Tusculum which allowed them to gain a sweet 74-65 revenge over Lambuth. Union dropped the final match in a one-point thriller to UT-Chattanooga, 81-80.

The Lady Bulldogs 7-1 VSAC record gave them a first place finish in the Western Division. Senior Sandra Lewis Fitzgerald scored well over 2400 points in her career—the all time leading scorer in Union basketball history.

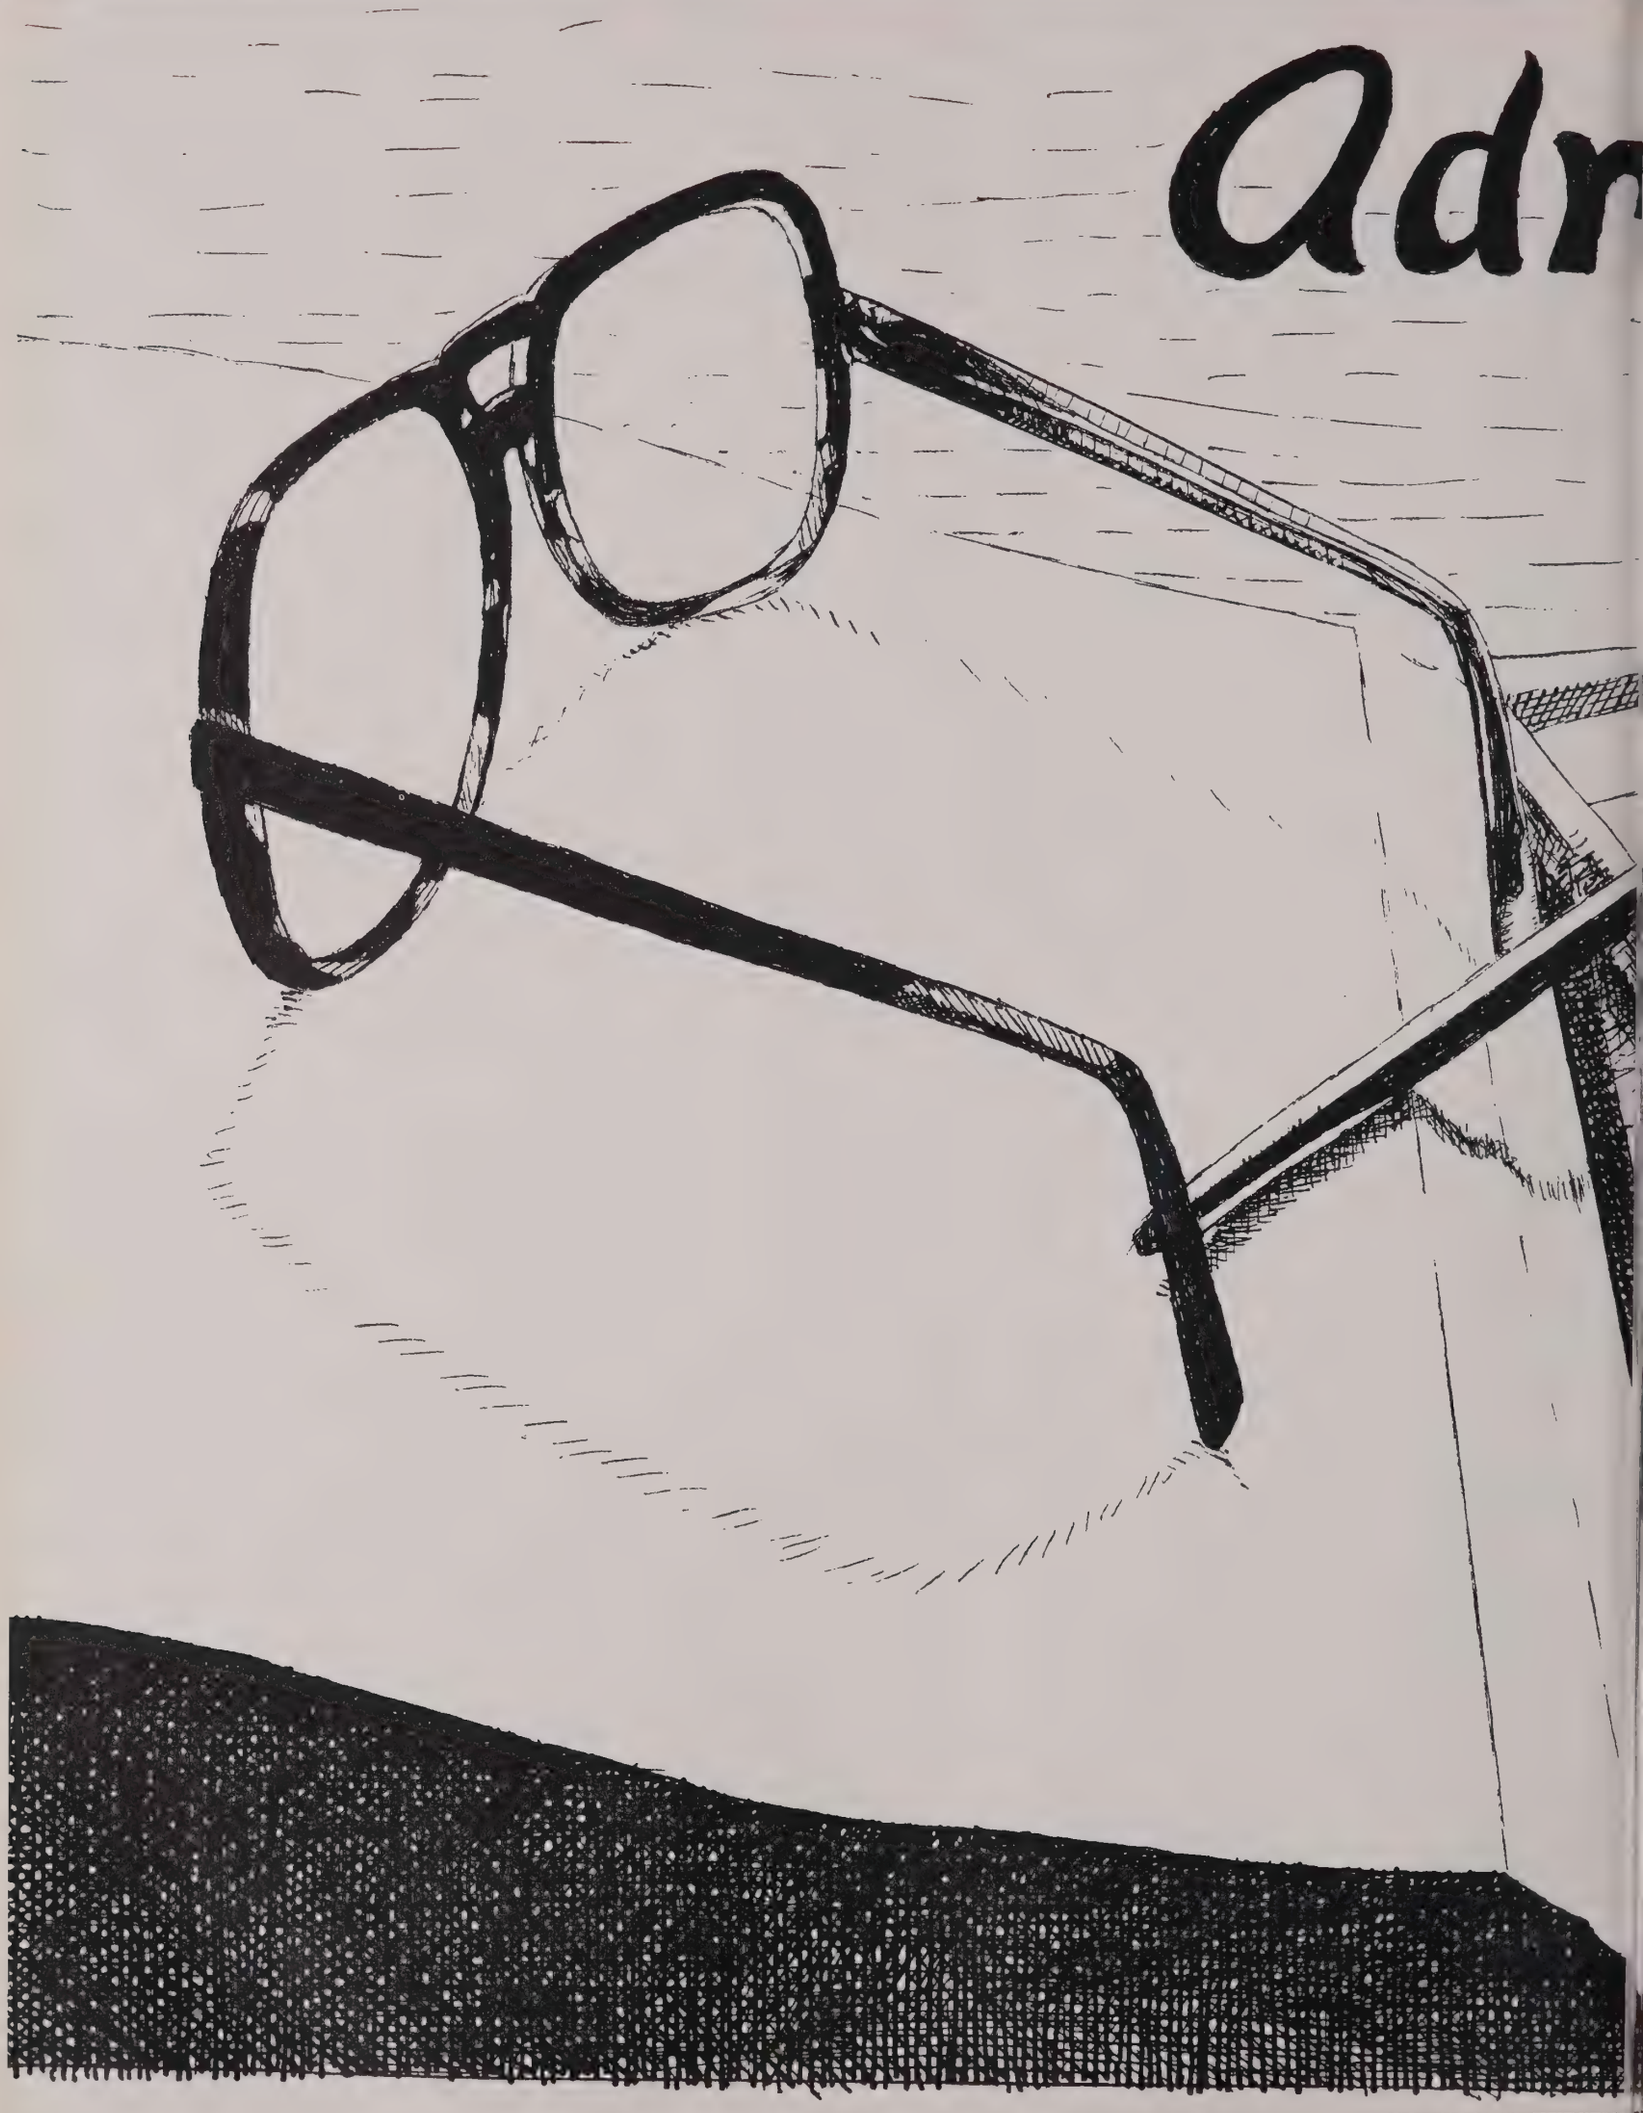
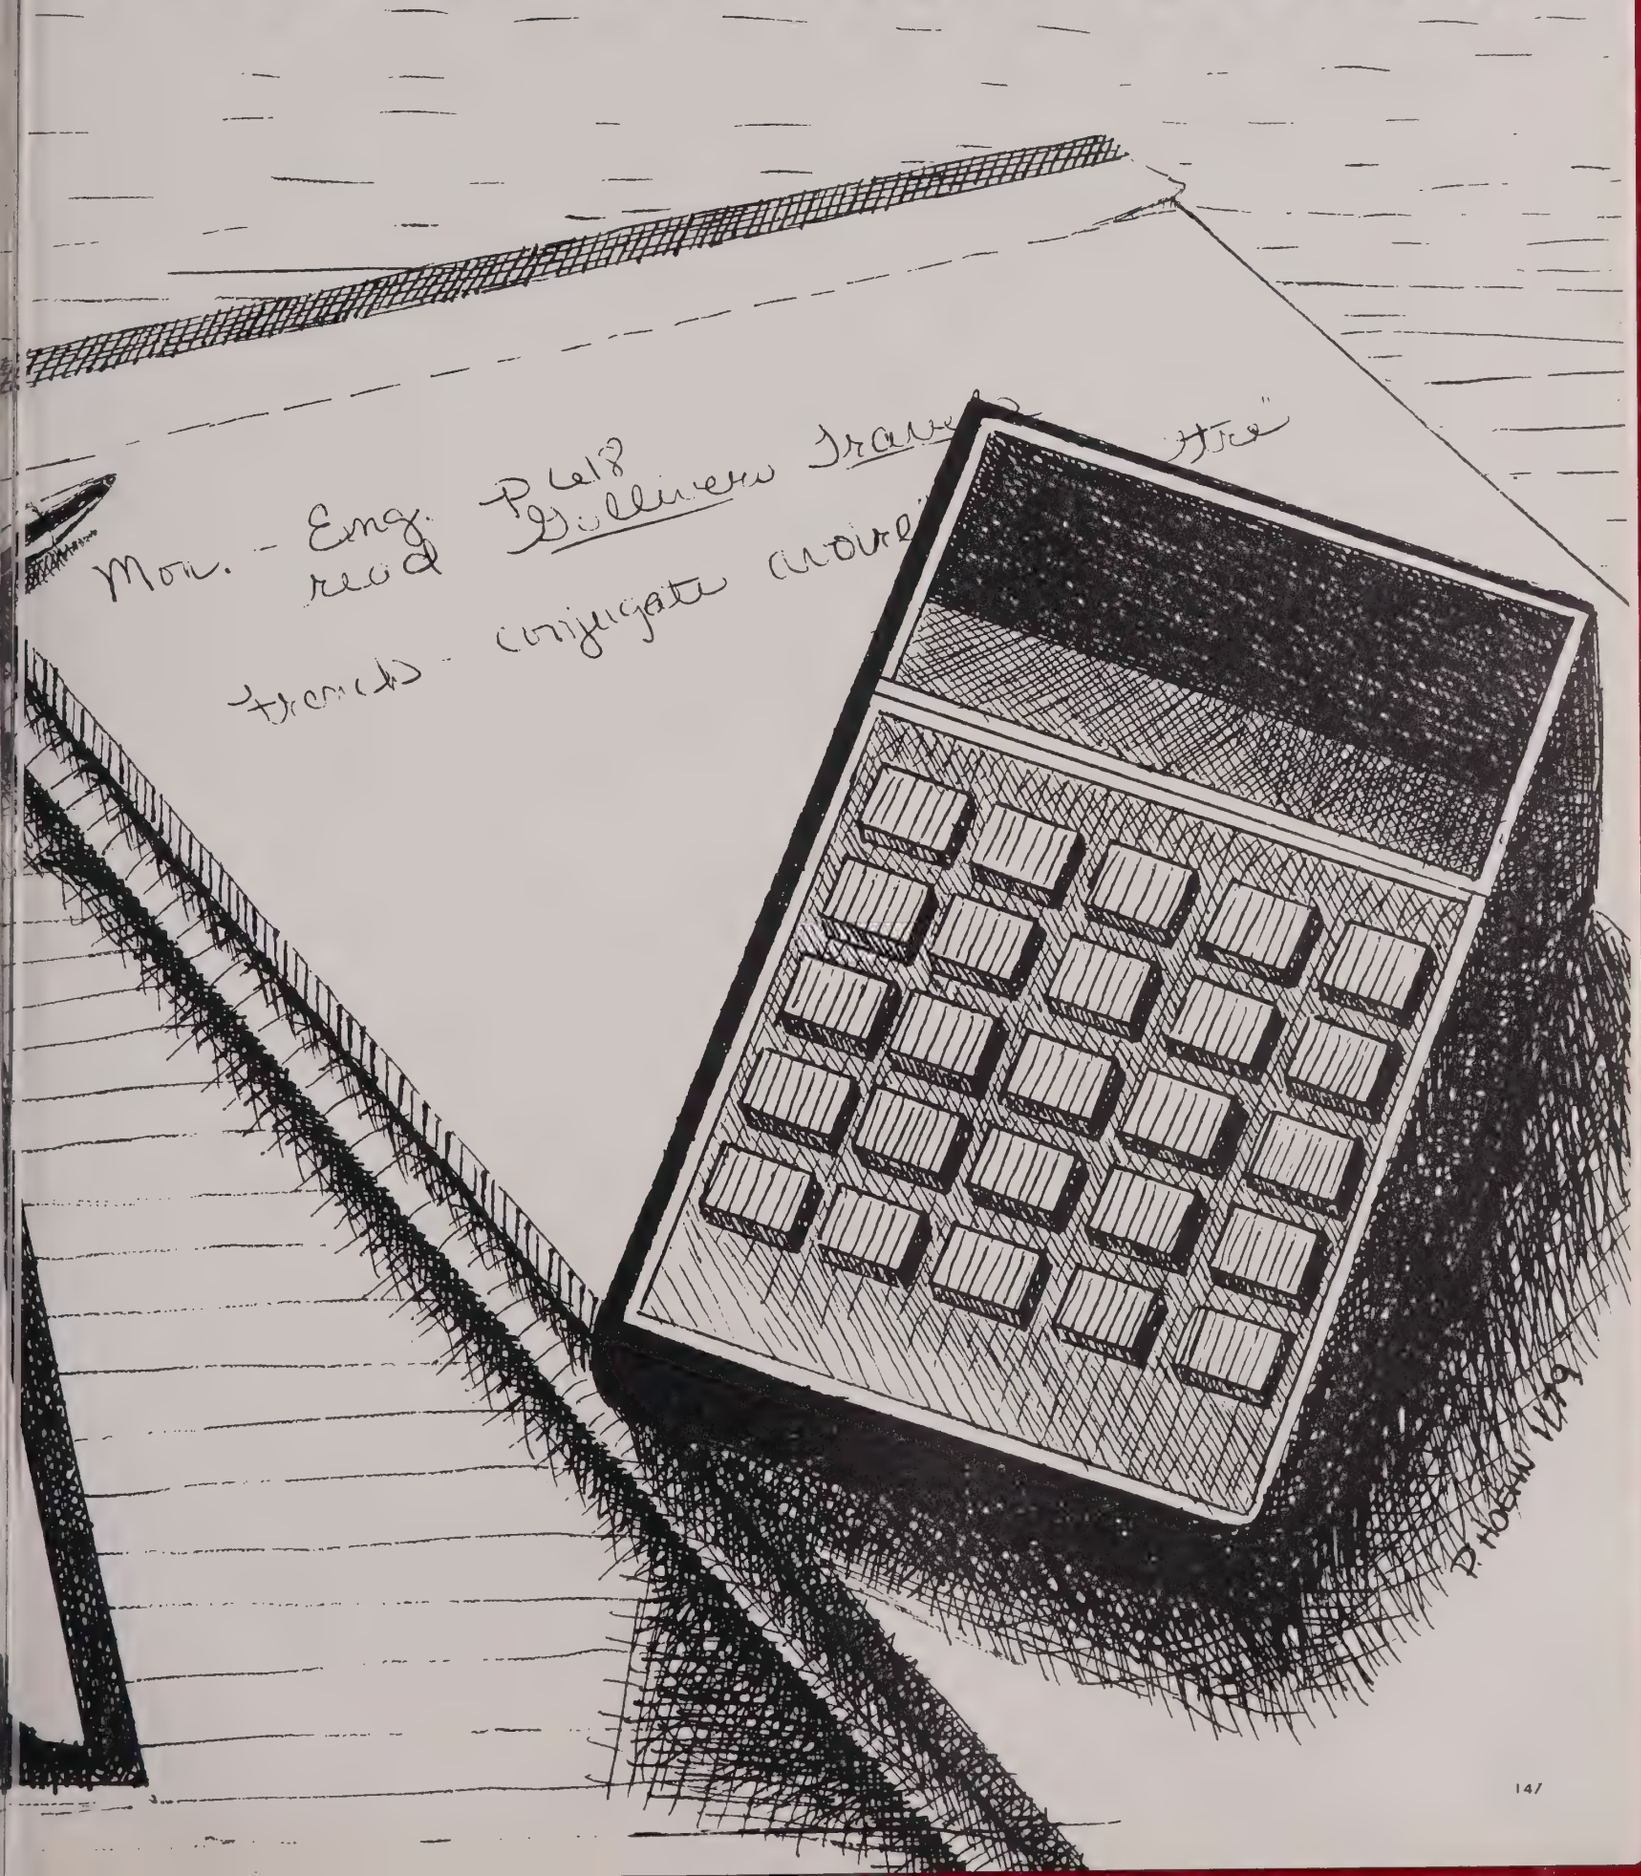
Union Is Going MAD



Adr

inistration



Dr. Robert E. Craig

President

Under the leadership of President Craig, Union has seen rapid expansion and development in all areas. The success of the new college facilities and the increased enrollment are tributes to his experienced guidance and ability.

Since he assumed the position of President in 1967, Dr. Craig has remained active in all phases of Union's management and activities. It is largely through his personal dedication that Union maintains her role as a leading Christian institution.

Dr. Craig confers with Dr. E. E. Duesner, a member of the Board of Trustees.

Dr. Craig contributed in the successful ATO blood drive.

Trustees

The Tennessee Baptist Convention selects the *Board of Trustees* of Union University. The Board helps to establish school policy, although it is not directly involved in administrative or academic concerns. Board members include churchmen, educators, and other business and community leaders.

Academic Office

The work of the Academic Office is centered around the development of solid and diversified courses of study for the Union students. Working with Dr. Hyran Barefoot and Dr. Willis Kimzey, Jr., the office coordinates registration and student records, counsels and advises concerning student academic programs, and encourages students toward high scholastic achievement.

The varied and ever-increasing number of students at Union have all begun their academic work following enrollment through the Admissions Office. The staff is in large part responsible for Union's growing student body. Counselors from the office personally contact high schools and junior colleges throughout the Mid-South, explaining Union's programs and facilities. Their dedication and concern provide each new student with academic advice and often financial assistance in accordance with his needs.

Dean of Religious Affairs

One of the most vital and active departments on a Christian campus is that of Religious Affairs. The outstanding staff in Union's department is no exception.

Aside from the coordination of all religious activities on the campus, the office is responsible for the organization of student ministeries and revival teams which serve throughout the area. In general, the office serves as the starting point for all students who have chosen Christian service as their goal.

The planning of chapel programs each week, and the preparation for such events as the Fall Revival and the Spring Bible Conference are also the responsibility of the Office of Religious Affairs.

Dr. Agee enjoys food and fellowship with Union's students.

Rose Melton

Business Office

Union University's Business Office is the center of the college's financial activities and fiscal policy. All student accounts are coordinated by the office, and all campus expenditures are recorded and managed by the staff. The staff's excellence is evident in Union's sound financial security. In addition, all bookstore accounts and finances are the responsibility of the office where building and ground maintenance is also directed.

Development

J. Larry Stewart
Development Director

Much of Union's continued growth as an outstanding institution would not have been possible without the outstanding work done through the office of Development. Union's qualified and dedicated staff works consistently to elicit financial support not only from private citizens, but also from many businesses, industries and area churches. Beneficial programs such as trusts and planned giving are also coordinated by the office.

In addition, the staff serves as an instrumental force in the Alumni Association and in the planning of alumni matters for the college. Through the excellent work in public relations, the office keeps the community well informed concerning Union's activities.

Faculty Focus

Through the years Union University has always maintained pride in the faculty which have served the college in every capacity from classroom instructor to organizations' sponsor to academic and nonacademic counselor. The faculty epitomizes the ideals of academic excellence and Christian dedication. Each member stands as an ideal for Union students as they learn, grow, and develop into full adulthood.

Union's faculty comes from a variety of backgrounds, with a variety of specialties and interests. Their one common denominator is their devotion to Union as an institution, and their desire to see the college be the best it can possibly be. They all strive to make their contributions lasting and unique.

Within the Fine Arts Division, the *Art Department* provides the most up-to-date facilities where students may experiment freely. The faculty works to develop an appreciation of all art in their students. In addition to studio work, courses in Art History and Appreciation are offered.

Union is noted for its outstanding *Department of Music,* and the variety of opportunities it provides for experience in the performing arts. Students in the department may earn a Bachelor's degree or they may take applied music courses with or without credit.

Dr. Tucker assists Jeanna Pearson with a class project.

The Humanities Division incorporates three different departments. The faculty of the *Department of English, Journalism and Speech* works to offer training in communication skills and literature appreciation. The journalism program provides training in the area of the media, and the speech program provides students with experience in public speaking and the dramatic arts.

The *Department of Languages* offers both major and minor degrees in foreign language. The course program is designed to help students attain proficiency in language, as well as develop an appreciation for the literary contributions of international writers and the cultural divergence of other nations.

The *Department of Religion and Philosophy* is a most vital one on a Christian campus. In addition to preparing students for the ministry, the faculty strives to provide all Union students with a basic background in Biblical study.

Within the Natural Science Division, the *Department of Biology* maintains a curriculum that provides students with not only a basic understanding of the life sciences, but also prepares students for graduate study in the field. The faculty works to keep the department up-to-date on the latest ecological developments.

Faculty in the *Department of Chemistry and Physics* encourage students toward a scientific investigation of the physical world. Students wishing to pursue graduate work in the field are provided a solid base for experimentation and acquisition of varying scientific techniques. The faculty prides itself on their up-to-date facilities and their knowledge of current developments in the field.

Students find a variety of pursuits within the *Department of Mathematics and Computer Science.* The faculty provides an excellent preparation for graduate study in these fields while maintaining a sound curriculum of basic courses designed for the Union student requiring additional core study in mathematics.

Two departments comprise the Division of Professional Studies. The *Department of Education* offers a major in Elementary Education and a minor in Secondary Education, as well as certification in areas such as Special Education. The faculty works to provide prospective teachers with practical knowledge and experience coupled with study in educational organization and classroom techniques.

The *Department of Health and Physical Education* offers course study in areas of school health, first aid and physical fitness education. The faculty serves not only as classroom instructors, but also as a successful coaching staff. In addition, they sponsor an active intramural program.

The *Nursing Department* is exclusive within the Division of the same name. Union's program was one of the first established in the Mid-South area and prides itself on offering both a two and four year degree. The department offers classroom instruction coupled with technical experience in hospitals and clinics.

Four departments comprise the Social Science Division. The faculty within the *Department of Business Administration and Economics* works to provide students with a variety of vocational objectives within the business framework. In addition, they prepare students desiring a secretarial career, certification in business education, or further study in the areas of business or accounting.

The *Department of History* includes in its curriculum courses in political science and other social sciences, providing students within the department with important historical perspective as well as helping them keep abreast of current events. The faculty is also instrumental in providing many of the campus tours to historical sites and cultural capitals of the world.

A basic background for the study of individual motivations and personal interrelations is provided in the course study within the *Department of Psychology*. The faculty provides a well-rounded program for students interested in graduate study and in such areas as social work. The faculty keeps well-informed on the latest research within the field, incorporating it in their coursework.

The *Department of Sociology* provides study in the analysis of human relations, and the study of sociological development and adjustment in the modern world. Students desiring preparation for graduate study or for work in the area of human relations find an outstanding program within this department.

Dr. Edmonson's class listens attentively to his lecture.

In addition to the faculty pictured on the following pages, several part-time instructors contribute on the faculty. They are Mrs. Elixabeth Emison in Art, Mr. Jimmy Cole in Music, Dr. Bob Agee, Dr. Hyran Barefoot, Dr. Willis Kimzey, Jr., Mr. Dennis Pulley in Religion and Philosophy, Mr. Charles Gentry in Education, Mrs. Nancy Herron in Nursing, Mr. Bill Brown in Business and Economics and Mr. Doug Skiles, Mrs. Louise Smothers, and Mr. Ted Harpole in Psychology.

Although specialists in their respective fields, Union's faculty members do not let their interests stop at their office doors. All are concerned with the welfare and development of the individual student, and are willing to go beyond the call of duty to achieve their goals. Union's faculty is outstanding in every way, and Union students are fortunate to be able to benefit from that excellence throughout their career at the college.

Lyceum

Union's *Lyceum Committee* promotes several events each year which serve to expose the student body and the general public to educationally enlightening programs and forms of entertainment. In conjunction with the Fall Honors Festival which was held in early November, the Lyceum Committee also sponsored a mime artist, a marionettiste show for adults, and "Shakespeare Revisited."

Union Shows Spirit

Winter finally arrived at Union.

The "dangers" of college life are clearly shown as students battle the parking lot.

Dr. Goodin's English 212 class enjoys a break.

Fifties Day at Union

To celebrate the annual Red-White games which officially opened the basketball season at Union, many students participated in "Fifties Day." For an entire Thursday, bobby sox and pony tails prevailed. Guys were seen with foreign matter in their hair. . .axle grease? Jeans were rolled up and saddle oxfords and loafers seemed to be the popular footwear for the fun journey back in time.

Betsy Buhler and Becky Bumpas are glad that Ted Hunderup came back to Brylcreme.

'78-79 cheerleaders rouse spirit with a '58-59 fashioned bonfire.

I want to thank the Lord for this year, 1978-79. It has been a long and often hard year, but it has brought me new friendships and a greater understanding of the field of Journalism.

I would like to give a very special thanks to Kim Bell, Linda Bartholmew, our staff photographers—Claudia Johnson, Johnny Eakin, and Owen Cobb, Mary Scheffing, and Mrs. Betty Foellinger for without them this yearbook would not have been possible. I would like to thank also the rest of my staff who helped to make this book what it is.

I hope that we, the *Lest We Forget* staff, have captured for each of you a record of the events that are remembered the most and those small things that tend to be forgotten. I hope we have showed how " . . . Christ in You," truly is " . . . the hope of glory."
